Requesting Introduction of Legislation Extending the Authorization of a  
One Percent Increase in the County Sales and Compensating Use Tax in Jefferson County

By Legislator: Frances A. Calarco

Whereas, By Resolution Nos. 135, and 169 of 2004, this Board of Legislators requested the introduction of a bill in the State Legislature to amend the New York State Tax Law to allow the County of Jefferson to impose an additional sales tax of three quarters of one percent (3/4%) through November 30, 2005, and following introduction of legislation concurred in and authorized the home rule request of the Chairman of this Board for its enactment; said legislation was subsequently passed by the State Legislature and signed into law by the Governor, and

Calling Upon the New York State Public Service Commission to Grant the Application  
for Re-Energy Holdings, LLC for Designation of a Biomass Facility at Fort Drum  
Military Installation as a Renewable Energy Source

By Legislator: Daniel R. McBride

Whereas, In 2014 Re-Energy Holdings, LLC a Department of Defense Energy Contractor (hereinafter referred to as "Re-Energy"), signed a twenty-year contract to convert a coal facility into a more efficient biomass facility that would provide one-hundred percent (100%) of the electricity to Fort Drum as a part of the largest renewable energy project in the history of the United States Army, and

Whereas, The 60 Megawatt biomass facility on Fort Drum which provides 100% of its energy is now scheduled to be shut down after state legislation in 2022 that would recognize biomass as renewable energy, failed to pass, and

Whereas, The 32 employees who work at the biomass facility on Fort Drum have been informed that they will no longer be employed within the next two months, and

Whereas, Re-Energy buys fuel material and wood chips from lumber yards, sawmills, and tree service contractors, throughout the North Country, inclusive of Jefferson County, with additional jobs at risk of being lost, and

Whereas, Re-Energy has publically stated that it must terminate operations at Fort Drum on March 31 if the New York State Public Service Commission fails to act upon a petition filed to have the biomass operation classified as a renewable energy resource, and

Whereas, State Assemblyman Ken Blankenbush and former Senator Patty Ritchie previously introduced legislation to classify biomass as renewable and keep the plant open; however, the legislation stalled in the assigned legislative committees and died in the 2022 session.

Now, Therefore, Be It Resolved, the Board of Legislators calls upon the New York State Public Service Commission to grant the application for Re-Energy Holdings, LLC for designation of a biomass facility at Fort Drum Military Installation as a renewable energy source, and be it further

Resolved, That certified copies of this resolution be forwarded to Governor Kathy Hochul, US Senator Chuck Schumer, US Senator Kirsten Gillibrand, Congresswoman Elise Stefanik, Congresswoman Claudia Tenney, Senator Mark Walczyk, Assemblyman Ken Blankenbush, Assemblyman Scott Gray, Assemblyman William Barclay, and St. Lawrence and Lewis counties.

Calling on the State of New York to Continue to Pass-Thru Federal Affordable Care Act  
Enhanced Federal Medicaid Assistance Percentage Funds

By Legislator: Frances A. Calarco

Whereas, The SFY 2024 State Budget proposal would end the Affordable Care Act (ACA) enhanced Federal Medical Assistance Percentage (eFMAP) federal pass-thru to counties and New York City, and

Whereas, The State is proposing to keep all of these federal savings going forward and use them to cover further expansions of Medicaid eligibility and benefits and to increase payments to health care providers, and

Whereas, The elimination of this ACA eFMAP federal pass-thru will require the 57 counties to spend at least \$280 million more in SFY 2024, and approximately \$1 billion when New York City is included, and

Whereas, The SFY 2024 costs to counties and New York City are scheduled to grow by 30 percent by SFY 2027, and

Whereas, It is the strong view of Jefferson County that Congress intended these federal savings to be shared with counties proportional to the amount they contributed toward the nonfederal Medicaid match, and

Whereas, Since 2003, the state has shared the funds proportionally based on our analysis of savings we have received during periods when an enhanced federal Medicaid match was enacted by Congress, and

Whereas, Enacted in 2011, the Medicaid statutory cap for all 62 counties is \$7.6 billion. The Medicaid statutory cap for the 57 counties outside of New York City is \$2.25 billion., and

Whereas, Starting in SFY 2014, New York began sharing these federal ACA savings directly with counties. The savings for a year were provided by lowering the weekly payments each county and NYC make to the state to support the State's Medicaid program. Through February 1, 2023, the state continues to share the federal savings from the ACA eFMAP with the 57 counties and NYC, and

Whereas, Counties strongly disagree with the need to cut county funding so deeply when the Governor's budget proposes to fully fund its own reserves two years ahead of schedule depositing \$5.4 billion into reserves before the end of SFY 2023, while also projecting a general fund surplus of \$35 billion by the end of SFY 2024.

Now, Therefore, Be It Resolved, That the Jefferson County Board of Legislators calls on the State to continue to share these federal funds with counties as has been the precedent for over 20 years, thus avoiding a \$2.5 million additional burden to the taxpayers of the County and be it further

Resolved, That certified copies of this resolution be forwarded to Governor Kathy Hochul, Congresswoman Elise Stefanik, Congresswoman Claudia Tenney, Senator Mark Walczyk, Assemblyman Ken Blankenbush, Assemblyman Scott Gray, and Assemblyman William Barclay.
