Honorable Members of the Jefferson County Legislature

Ladies and Gentlemen:

It is with pleasure that I submit the Annual Report for the Jefferson County Clerk's Office for the fiscal year January 1, 2014 through December 31, 2014.

The County Clerk's Office is a state constitutional office that is the main depositor for records created within the county. The County Clerk serves as the Clerk of the Corporation of Jefferson County., as well as a register of mortgages, deeds and all records pertaining to real property within Jefferson County. The County Clerk also serves as clerk of the Supreme and County Courts and is commissioned to not only collect all fees of the courts but to also protect, produce upon request and preserve court records. The County Clerk, in accordance with Vehicle and Traffic Law, acts as an agent for the Commissioner of the New York State Motor Vehicle Department.

The Jefferson County Clerk's Office collects and distributes monies for various state agencies. The county's share of these collections is submitted to the county treasurer on a monthly basis with a report detailing the collections.

The following pages detail the monies collected by the Jefferson County Clerk's Office and the Department of Motor Vehicle Office that are paid to the county treasurer and disbursed to different agencies throughout the state.

I would like to thank the County Legislature for their support and look forward to working with you to continue to serve the residents of Jefferson County in the most efficient and productive manner possible.

My office is open to anyone who would like to tour the County Clerk's office, and I am willing to answer any questions that you may have.

Respectfully submitted,

Gizelle J. Meeks
Jefferson County Clerk
