Members of the State Committee
Delegates and Alternates to the State Convention

Very truly yours,

Mrs. Martha Eldridge
Hadcock Road
Watertown, N.Y.

Dear Martha:

Enclosed is the list of the delegates and alternates to the National Convention from the 30th Congressional District as appeared on the certification from the Department of State in June of 1972.

I have also enclosed a copy of the official ballot for the June 20, 1972, primary of the Democratic Party. The figures thereon indicate the total vote in Jefferson County, but not the rest of the 30th Congressional District. Therefore, these figures do not indicate the winners.

Hope this will be of help to you.

Sincerely,

Dear Sir:

We have received your statement that the Town of Theresa Democrats will nominate by petition.

Enclosed is the list of town officers that will be nominated this year as returned to us by the Town Clerk of Theresa; Supervisor, Town Clerk, Town Justice, two Councilmen; Assessor, Superintendent of Highways, collector, and an Assessor (to fill vacancy).

We do not supply petitions. Party petitions are usually printed and provided by the party headquarters.

The first day to sign party nominating petitions is June 4, 1985. Any signature dated before June 4 could not be counted. Petitions will be filed in this office between July 8 and July 11. A minimum of good legal signatures on each petition this year for Theresa is 13; however, you should have extra.

The Republicans usually incorporate the whole slate candidates on one petition; then, anyone else who wants to run separately...

Any expenditure in excess of \$500.00 must be approved by the Finance Committee (unless such expenditure is for items usual and necessary to the day operation of the Democratic Party in Jefferson County) (such items include but are not limited to the nature of rent payments, and other items of a generally fixed nature which are known to the Finance Committee and/or the Executive Committee).

SECTION 3.

The Finance Committee shall present a budget to the County Committee at the next meeting of the year, based on income and expenditures of prior years. The County Committee shall approve, reject, or modify the budget. The Chairperson of the Finance Committee shall abide by the budget in authorizing expenditures.

ARTICLE VIII

COMPOSITION OF CITY LEGISLATIVE DISTRICT, TOWN AND VILLAGE COMMITTEES

SECTION 1. COMPOSITION OF CITY LEGISLATIVE DISTRICT, TOWN AND VILLAGE COMMITTEES.

The committees in city legislative districts, towns and villages, shall be composed of those members of the County Committee who are elected to the respective Districts within the said respective political subdivisions. The Chairperson of each such committee shall be elected by the County Committee. It is the intent of the County Committee to add to such committees such additional members as such committees may deem desirable. Each such committee may adopt rules and regulations governing its organization and government not inconsistent with law or with these rules and regulations.

SECTION 2. ORGANIZING MEETING OF CITY LEGISLATIVE DISTRICT, TOWN AND VILLAGE COMMITTEES.

SECTION 3. POWERS AND DUTIES OF CITY LEGISLATIVE DISTRICT, TOWN AND COMMITTEES.

(A) The members of the Jefferson County Democratic Committee shall nominate candidates for the public office of member of assembly and for the positions of members of the State Committee, male and female, and delegate alternate delegates to State and Judicial District Conventions, and they shall perform such other duties as may be prescribed by law or assigned by the Executive Committee or the Chairperson of the Jefferson County Committee.

(B) The city legislative district committees shall, subject to the provisions of these rules and regulations, govern the affairs of the party within the cities within the county. Each such city committee shall nominate partisan candidates for public office to be voted for in partisan elections.

(Note: Party nominations for an office to be filled at a special election shall be made in the manner prescribed by the rules of the party.)

(C) The town committees shall, subject to the provisions of these rules and regulations, govern the affairs of the party within each town within the county.

(Note: Nominations for town officers are almost impossible to be made within any set of MODEL rules, since the provisions of Section 6-10 of the Election Law present various possibilities which are in part dependent upon local practice within the county and in the town, and in part dependent upon the population of the county. Of course, the provisions of Section 14 of the Election Law outlining procedure for unofficial primaries and caucuses apply. In these circumstances, counsel for each county committee should carefully examine the provisions of these sections of the law closely, whereupon the committee itself must make its decision as to how nominations for town officers shall be made.)

(D) The village committees shall, subject to the provisions of these rules and regulations, and the rules and regulations of the town committees within which such villages are situated, govern the affairs of the party within each village in the county.

(E) The city legislative district committees shall, subject to the provisions of these rules and regulations and the rules and regulations of the committees of the city legislative district committees of the cities within which such legislative districts are contained, govern the affairs of the party within each city legislative district wards.

ARTICLE IX

SECTION 1. AMENDMENTS

These rules and regulations may be amended from time to time by a majority of the members of the County Committee present at a meeting at which the quorum is present, provided a copy of the proposed amendment shall be sent with the notice of the meeting at which such amendment is to be proposed, such notice to be given at least five (5) days before such meeting, and to be mailed to the home address of each member of the County Committee.

ARTICLE X

SECTION 1. EFFECTIVE DATES OF RULES

These rules and regulations will become effective immediately upon filing in the office of the New York State Board of Elections, in accordance with Section 2-114(1) of the New York State Election Law.

These Amended Rules and Regulations were adopted by a majority vote in attendance at the Jefferson County Democratic Committee meeting held on [redacted] 5, at which there was a quorum present.
