Donald G. Sears,
Committee Chairman Theresa Democrats
English Settlement Road
R.D.#1, Box 398
Redwood, N.Y. 13679

Dear Sir:

We have received your statement that the Town of Theresa Democrats will nominate by petition.

Enclosed is the list of town officers that will be nominated this year as returned to us by the Town Clerk of Theresa, Supervisor, Town Clerk, Town Justice, Two Councilmen; Assessor, Superintendent of Highways, Collector, and an Assessor (to fill vacancy).

We do not supply petitions. Party petitions are usually printed and provided by the party headquarters.

The first day to sign party nominating petitions is June 4, 1985. Any signature dated before June 4 could not be counted. Petitions will be filed in this office between July 8 and July 11. A minimum of good legal signatures on each petition this year for Theresa is 13; however, you should have extra.

The Republicans usually incorporate the whole slate of candidates on one petition; then, anyone else who wants to run separately files his own petition.

Please consult with Democratic Headquarters on your petitions. If we can be of any help, call me at 785-3027.

Sincerely yours,

BOARD OF ELECTIONS

Lucy W. Sprague, Senior Clerk

OF THE
JEFFERSON COUNTY DEMOCRATIC COMMITTEE**

ARTICLE I

General Provisions

The Jefferson County Democratic Committee, pursuant to Section 2-114 of the Election Law of the State of New York (the "Election Law"), hereby adopts the following Rules and Regulations for the government of the Democratic Party of the County of Jefferson.

Section 1.

The Democratic Party of the County of Jefferson shall consist of the voters of each Election District with the County who have duly enrolled as required by law in the Democratic Party.

Section 2.

There shall be representative bodies as follows:

- 1) A County Committee;
- 2) A City Committee for each City;
- 3) A Town Committee for each Town;
- 4) A County Legislative District Committee for each County Legislative District;
- 5) Such other committees as authorized by the Chair of the Jefferson County Democratic Committee.

Section 3.

The official organization of the Democratic Party of the County of Jefferson shall be the County Committee (the "County Committee"). The County Committee shall be charged with the government and administration of the affairs of the Democratic Party within the County. The County Committee shall have full power to decide all questions relating to political policy of party government and management within Jefferson County or any part thereof. In addition, all Committees within the County and such committees as authorized under Sub-Sections 2 through 5 of this Article shall be under the jurisdiction of the County Committee and subject to such rules and regulations as it may prescribe.

ARTICLE II

Section 1.

The County Committee shall be constituted by the Election in each Election District within the County of at least two members, and of such additional members, not in excess of two for such District, proportional to the Party vote in the District for Governor at the last preceding gubernatorial election, or in case the boundaries of such District have been changed or a new District has been created since the last preceding gubernatorial election, proportional to the Party vote cast for the member of Assembly or in the event there was no election for member of Assembly, then proportional to the number of enrolled voters of such party in such District on the list of enrolled voters last published by the Board of Election, excluding voters in inactive status. On the basis of the Party vote or enrollment in Election Districts within the County, each member shall have one vote.

Section 2. ELECTION OF MEMBERS OF THE COUNTY COMMITTEE

(A) The members of the County Committee shall be elected biennially in each even-numbered year at the official primary election.

(B) For purposes of this Article, unless otherwise stated, "membership" is defined to mean actual members of the committee duly elected or appointed to the position. The total membership will be a number equal to the total positions minus unfilled vacancies. "Positions" refers to the total positions on the County Committee, including vacant as well as membership.

Section 3. VACANCIES OF COUNTY COMMITTEE

(A) Vacancies in the County Committee will automatically occur on the happening of the following events: death, disqualification, declination, resignation, change of habitat outside the town or ward to be represented or removal from office of any member; failure to elect a member by reason of tie vote or failure to file petitions or otherwise; or an increase in the number of Election Districts, or in apportionment of Members of any existing Election District.

(B) A vacancy in the membership of the County Committee shall be filled for the unexpired term by the appointment by the Chairperson of the County Committee on the advice and with the consent of the majority of the remaining county committeemen of the town or ward in which the vacancy exists. The Secretary shall be notified by the Chairperson of the appointment at least ten days prior to the committee meeting. Such notice shall be in writing, signed by the Chairperson, and certify that the appointment is with the consent of the respective town or ward committee. Such notice shall be available for inspection by any enrolled Democrat prior to the meeting. Any enrolled Democrat may challenge such appointment by at least five days prior to the County Committee meeting notifying the Chairperson of the Judicial Committee, who shall convene the Judicial Committee to determine validity of the appointment and report their findings to the full committee. The appointments of the Chairperson of the County Committee, and the rejections of the Judicial Committee are subject to approval by the County Committee. Validly appointed Committeepersons shall have full voting and proxy rights.

Section 4. OFFICERS OF THE COUNTY COMMITTEE

(C) The Vice-Chairperson shall preside at meetings of the County Committee and perform all of the duties of the Chairperson in his absence, except as otherwise herein provided, and such other duties as may be assigned to them by the County Committee or Executive Committee.

(D) The Secretary shall perform such duties pertaining to that office as may be assigned to him by the Chairperson or by the County Committee. In addition, he shall keep full and accurate minutes of all proceedings of the County Committee and of the Executive Committee. He shall read minutes for approval at the end of each meeting if requested to do so by a majority of those present and at the beginning of the subsequent meeting for approval, unless waived by a majority of those present. (E) The Treasurer shall keep detailed accounts of all monies received and all expenditures made by or for the account of the County Committee and, in general, shall perform the duties ordinarily performed by the Treasurer of a political committee and such other duties as may be assigned to him by the Chairperson or by the County Committee. He shall be bonded at the expense of the County Committee, and shall submit an annual written financial report by mail to every member of the County Committee.

(F) The Sergeant-at-arms shall assist the Chairman in maintaining and preserving order and shall perform such other duties as may be assigned to him by the Chairman of the County Committee.

Any individual member may request and receive an immediate ruling on a point of order.

(H) (1) In the event of death, declination, disqualification, resignation, or removal from office of an officer of the County Committee, such vacancy, except in the case of the Chairperson, shall be filled for the rest of term by appointment of Chairperson with the advice and consent of executive committee.

(2) In the event of vacancy in the office of Chairperson, the first Vice Chairperson or next-ranking officer shall become Acting Chairperson and shall call a meeting of the full committee within thirty days of such vacancy for the purpose of electing a new Chairperson to fill the unexpired term.

Section 5. REMOVALS

A member of a Democratic Committee, or any officer thereof, may be removed by such committee, for disloyalty to the Party or corruption in office, after notice and hearing upon written charges to be heard by the Judicial Committee which shall report its findings to the full committee. The hearing shall not be had until five days after personal service on accused of a copy of the charges and a summons to answer at a fixed time and place within the county.

ARTICLE III

Such town or city legislative district committee, having voting to appeal, to the County Committee, such act or decision of the Executive Committee, shall notify the Chairperson and the Secretary of the County Committee of such appeal, which is thereafter to be added to the agenda of the next succeeding meeting of the County Committee. The decision of the County Committee as to any such act or decision of the Executive Committee, as appealed, shall be final and controlling.

SECTION 5. RIGHT TO ADDRESS EXECUTIVE COMMITTEE

Any County Committee member may request permission to be heard at any Executive Committee meeting.

ARTICLE VI

SPECIAL COMMITTEES

SECTION 1.

The Chairperson of the County Committee shall appoint such standing or ad hoc committees as the Chairperson may, from time to time deem necessary and/or desirable, and designate the respective chairpersons thereof, as may be approved, however all such committees to be approved by the Executive Committee or the County Committee.

SECTION 2. FINANCE COMMITTEE

There shall be a Finance Committee appointed by the Chairperson with the advice and consent of the Executive Committee, and composed of five persons who shall be enrolled Democrats in Jefferson County. The Chairperson and Treasurer shall be ex-officio members of the Finance Committee. The duties of the committee shall include auditing the books of the County Committee at least once

per year, coordinating and promoting all fund raising activities of Committee, preparation of an annual budget and performance of such other duties as given to it by these rules or the Executive Committee.

SECTION 3. JUDICIAL COMMITTEE

A Judicial Committee shall be composed of five persons appointed by the Chairperson with the advice and consent of the Executive Committee. When a member of Judicial Committee is the subject of hearing under Article II, Section 5, he shall be suspended from the Judicial Committee pending the outcome of the charges, in which case a temporary member shall be appointed to replace him.

ARTICLE VII

FINANCES

SECTION 1.

The Chairperson shall have authority to expend funds from the committee treasury for purposes which legitimately further the interest of the Democratic Party in Jefferson County, but no single expenditure is to exceed \$500.00

SECTION 2.

Any expenditure in excess of \$500.00 must be approved by the Finance Committee (unless such expenditure is for items usual and necessary to the day to day operation of the Democratic Party in Jefferson County) (such items meant to be in the nature of rent payments, and other items of a generally fixed nature which are known to the Finance Committee and/or the Executive Committee).

SECTION 3.

The Finance Committee shall present a budget to the County Committee at the first meeting of the year, based on income and expenditures of prior years. The County Committee shall approve, reject, or modify the budget. The Chairperson and Finance Committee shall abide by the budget in authorizing expenditures.

ARTICLE VIII

ASSEMBLY DISTRICT, CITY LEGISLATIVE DISTRICT, TOWN AND VILLAGE COMMITTEES

SECTION 1. COMPOSITION OF CITY LEGISLATIVE DISTRICT, TOWN AND VILLAGE COMMITTEES.

The committees in city legislative districts, towns and villages, shall be composed of those members of the County Committee who are elected from the Election Districts within the said respective political subdivisions. There may be added to such committees such additional members as such committees may deem advisable. Each such committee may adopt rules and regulations for its organization and government not inconsistent with law or with these rules and regulations.

SECTION 2. ORGANIZING MEETING OF CITY LEGISLATIVE DISTRICT, TOWN AND VILLAGE COMMITTEES.

Each city legislative district, town and village committee shall, within ten days after the organizational meeting of the County Committee, meet and organize by the election of a chairperson, vice-chairperson, secretary and treasurer, and such additional officers as it may provide by its rules, and within three days thereafter, it shall file with the Secretary of the County Committee a list of officers so elected, with their respective post office addresses.

SECTION 3. POWERS AND DUTIES OF CITY LEGISLATIVE DISTRICT, TOWN AND VILLAGE COMMITTEES.

(A) The members of the Jefferson County Democratic Committee shall endorse candidates for the public office of member of assembly and for the party positions of members of the State Committee, male and female, and delegates and alternate delegates to State and Judicial District Conventions, and they shall perform such other duties as may be prescribed by law or assigned by the Executive Committee or the Chairperson of the Jefferson County Committee.

(B) The city legislative district committees shall, subject to the provisions of these rules and regulations, govern the affairs of the party within each of the cities within the county. Each such city committee shall endorse partisan candidates for public office to be voted for in partisan elections.

(Note: Party nominations for an office to be filled at a special election shall be made in the manner prescribed by the rules of the party.)

(C) The town committees shall, subject to the provisions of these rules and regulations, govern the affairs of the party within each town within the county.

(Note: Nominations for town officers are almost impossible to be provided for within any set of MODEL rules, since the provisions of Section 6-108 of the Election Law present various possibilities which are in part dependent upon the past practice within the county and in the town, and in part dependent upon the population of the county. Of course, the provisions of Section 146 of the Election Law outlining procedure for unofficial primaries and caucuses must be adhered to. In these circumstances, counsel for each county committee must examine the provisions of these sections of the law closely, whereupon the County Committee itself must make its decision as to how nominations for town officers shall be made.

(D) The village committees shall, subject to the provisions of these rules and regulations, and the rules and regulations of the town committees in towns which such villages are situated, govern the affairs of the party within each such village in the county.

(E) The city legislative district committees shall, subject to the provisions of these rules and regulations and the rules and regulations of the city committees of the city legislative district committees of the cities within which such legislative districts are contained, govern the affairs of the party within such city legislative district wards.

ARTICLE IX

SECTION 1. AMENDMENTS

These rules and regulations may be amended from time to time by a majority of the members of the County Committee present at a meeting at which there is a quorum, provided a copy of the proposed amendment shall be sent with the notice of the meeting at which such amendment is to be proposed, such notice to be sent not less than five (5) days before such meeting, and to be mailed to the post office address of each member of the County Committee.

ARTICLE X

SECTION 1. EFFECTIVE DATES OF RULES

These rules and regulations will become effective immediately upon their filing in the office of the New York State Board of Elections, in accordance with Section 2-114(1) of the New York State Election Law.

These Amended Rules and Regulations were adopted by a majority in attendance at the Jefferson County Democratic Committee meeting held on March 28, 1996, at which there was a quorum present.

Address: 9342 Champion Street, Canastota, N.Y. 13619 Phone No. 493-7252

I hereby request that I be appointed to the Jefferson County Democratic Committee to fill an existing vacancy in the above district. It is my intention to carry out the duties of the position and to:

Participate in the meetings of the full committee and attend party events (about 4 each per year).

3. Represent the party in my election district by assisting candidates and carrying the Democratic message to the voters.
4. Assist in the party's fund raising efforts and recruit attendees for events.
