Resolution 20-11 Approval of Youth Incentive Program

Whereas, the Workforce Innovation & Opportunity Act of 2014, Chapter 2, Section 129 calls for the Youth program, and

Whereas, it has been sighted as a best practice to offer youth incentives to ensure and encourage youth participants' success in attaining their Individual Service Strategy goals, and to promote WIOA program engagement and retention, particularly for out-of-school youth, and

Whereas, the WIOA Youth program contains 14 program elements including leadership development, financial literacy and follow-up services for not less than 12 months after completion of participation. While youth participants will not engage in all 14 elements, youth incentives may facilitate increased participation and youth services administration, and

Whereas, unsubsidized employment during the second and fourth quarters after program exit; and attainment of a secondary school diploma, a recognized post-secondary credential or its equivalent within one year from exit are examples of youth performance measures in WIOA, and

Whereas, follow up with Youth is a critical component of the Youth Employment Program that needs to be enhanced to incentive participants to contact the program coordinator and provide updates on employment, education and living situations, and

Therefore be it resolved, that the Jefferson-Lewis Workforce Development Board hereby approves the following youth incentive awards:

Proposed Youth Incentives

| Activity Completed | Incentive Award |
|---|------------------------|
