FIREARM PERMIT PACKET

SECTION 400 of the Penal Law states, in part, as follows:

“1. ELIGIBILITY. No license shall be issued or renewed pursuant to this section except by the licensing officer, and then only after investigation and finding that all statements in a proper application for a license are true. No license shall be issued or renewed except for an applicant... (b) of good moral character; (c) who has not been convicted anywhere of a felony or a serious offense or who is not the subject of an outstanding warrant of arrest issued upon the alleged commission of a felony or serious offense; (d)... (i) who has stated whether he or she has ever suffered any mental illness; (j) who has not been involuntarily committed to a facility under the jurisdiction of an office of the department of mental hygiene... or has not been the subject of a report made pursuant to section 9.46 of the mental hygiene law; (k)... (n) concerning whom no good cause exists for the denial of the license...”

In considering good moral character of the applicant and whether good cause exists for the denial of the license, this Court will attempt to view the applicant as a whole person and take into account his or her entire life history, rather than limit its view to isolated events in his or her life. This Court considers good moral character to embody that degree of honesty, integrity and discretion the public has a right to demand of a firearm licensee, judged by contemporary standards. This Court does not establish specific guidelines as to what transgressions or misconduct will be regarded as disqualifying other than as stated in Section 400 of the Penal Law partially quoted above.

It is essential all questions be answered completely. Please attach additional sheets of paper for answers as part of your packet if you are unable to answer completely in the space provided.

The information contained in the enclosed Firearm Permit Packet will be considered on the question of good moral character and whether good cause exists to deny the application. Therefore, applicants should complete the necessary steps, collect/copy supporting documents, sign/notarize documents and notify this office once it is complete. If for any reason a portion of the steps, supporting documentation cannot be provided or completed, the Application Appointment will not be scheduled and the packet will not be accepted as complete. This will delay your process and subsequent approval.

As indicated in the Instructions you are required to obtain notarized signatures of four (4) persons as character references on a Reference Questionnaire. We suggest these persons be neighbors, friends, co-workers, or those you do business with regularly. In other words, they should be people who know you and your background well. These persons should also be of good moral character and reputation in the community. The character references must complete the Questionnaire in their own words with honesty and truthfulness regarding the character of the Applicant. They too, should have no criminal record.

This Firearm Permit Packet is confidential. It will be retained with the confidential records of the Jefferson County Clerk's Office, and used only for firearm permitting purposes.

DISQUALIFIERS PURSUANT TO FEDERAL LAW

Being convicted of a misdemeanor crime of domestic violence.

Being a fugitive from justice.

Being an unlawful user of or addicted to any controlled substance.

Being an alien who is illegally or unlawfully in the United States.

Having been discharged from the Armed Forces under dishonorable conditions.

Being an individual who, having been a citizen of the United States, has renounced his citizenship.

Being subject to a court order that:

a) was issued after a hearing of which such person received actual notice, and at which such person has an opportunity to participate;

b) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

c –i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child, or

c-ii) by its terms explicitly prohibits the use, attempted, use or threatened use of physical force against such intimate partner, or child that would reasonably be expected to cause bodily injury.

Federal law prohibits anyone from possessing firearms or ammunition if they are, or have been convicted of a misdemeanor crime of domestic violence. The term “misdemeanor crime of domestic violence” means: any offense defined as a State or Federal misdemeanor, whether or not explicitly described in a statute as a crime of domestic violence, which has, as its factual basis, the use or attempted use of physical force, or the threatened use of a deadly weapon, committed by the victim’s current or former domestic partner, parent or guardian. The term “convicted” is generally defined in the statute as excluding anyone whose conviction has been expunged or been set aside, or anyone who has received a pardon.

CERTIFICATE OF RELIEF FROM DISABILITIES

On occasion, an applicant who was convicted for a felony or serious offense submits, pursuant to Correction Law Section 701, a certificate of relief from disabilities. This certificate neither requires nor prevents the issuance of a firearms permit. Penal Law section 400(1) provides a firearms permit may not be issued to a person who has been convicted of a felony or serious offense, but Correction Law section 701 states once a certificate is granted, the conviction to which it relates may no longer be considered a conviction for purposes of that Penal Law provision. Thus, the certificate removes the absolute disqualification established for convicted persons in Penal Law section 400(1). This does not mean, however, the permit must be issued. The applicant’s background, including the conviction, may still be evaluated and considered in determining the applicant’s qualification to possess a firearms permit. The certificate must be checked off in box (C), and the details for box (C) must indicate, “For the purpose of obtaining a pistol permit.” Correction Law section 701(3) states: A certificate of relief from disabilities shall not, however, in any way prevent any judicial, administrative, licensing or other body, board or authority from relying upon the conviction specified therein as the basis for the exercise of its discretionary power to suspend, revoke, refuse to issue or refuse to renew any license, permit or other authority or privilege.
