

Resolution 17-10

One-Stop Operator and One-Stop Provider Firewall Procedures

Whereas, WIOA Act of 2014 calls the functions of the One-Stop Operator and the One-Stop Providers;

Whereas, the One-Stop Providers does not have to be competitively procured however the One-Stop Operator must be procured;

Whereas, the One-Stop Operator was competitively procured with the approval of the Jefferson County Department of Employment & Training being named the One-Stop Operator;

Whereas, the Jefferson-Lewis WDB has already approved Jefferson County Department of Employment & Training as the Providers of services;

Whereas, WIOA sec 121 (d) (4) (A)and TEGL 15-16 requires the One-Stop Operator to disclose any potential conflicts of interest arising from relationships of the Operator with particular training service providers and other service providers;

Whereas, no conflict of interest is present between the One-Stop Operator and training service providers;

Whereas, Jefferson County Department of Employment & Training is performing both functions and to establish two separate WDB committees;

Therefore, be it resolved that, the Jefferson-Lewis WDB has established a committee of two members of the executive board to oversee the Operator function and a committee of two members of the executive board to oversee the Provider of services.
